Webinar: Soil guardians – Farmers and forest owners for zero-pollution

EU GREEN WEEK 2021 PARTNER EVENT

Save the date and register to the EU Green Week 2021 Partner Event webinar of the Central Union of Agricultural Producers and Forest Owners of Finland (MTK).

A variety of hidden solutions

Come learn how and what will be the role of **agricultural producers** and **forest owners** in helping the EU to meet the zero-pollution ambition. The webinar will focus especially on the active soil management, fertility, and local differences in cultivation conditions. The presented MTK-SLC water and soil programs bring together 100 measures that agricultural and forestry actors see as essential steps to ensure soil productivity and healthy, towards zero-pollution.
